Sir,

Request for another copy of response to Appeal Brief(Substitute)

Please be informed that I've not received the Examiner's response to my Appeal Brief(Substitute), which is filed on July, 09, 98.

In the telephone contacts, the Examiner told me that 2 copy of his response was sent on July, 23, 98 and Sept., 98. However, both of them are not received by me.

Therefore, I have to make another request for another copy of the response.

I have sent similar requests by letter and fax dated Dec, 17, 98 and dated Jan., 4, 9 to Supervisory Examiner Gail Hayes. However, no response has been received.

In previous telephone contacts, Supervisory Examiner Gail Hayes suggest to use E-mail or fax to send me the another copy I requested, however, I prefer your sending it to me by registered air mail at the earliest time possible, and please consider this.

Finally, please also send me full mailing information of the previous copies which supposed to have gone astrayed, such as date of mail, the exact address of mine being used thereon. Because I can not guess out the reason why all of them go astray and most likely, I shall have to make a petition for late filing of a response thereto and a reason therefor is very important.

Date: Feb., 12, 99

Sincerely yours,

Ho Keung, Tse.
